...Not too bad.

It must hurt.

This means that wasn't in vain.

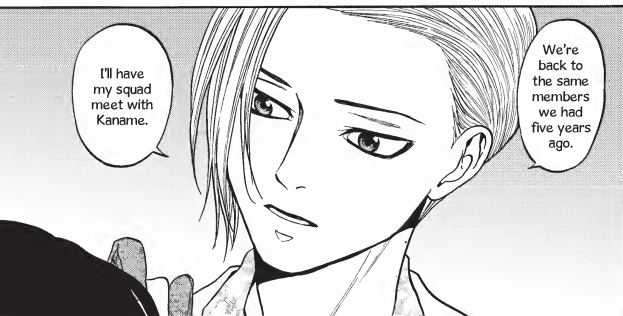

Makimura, F Squad's struggle...

It seems I've lost their trust after the commotion at the hideout.

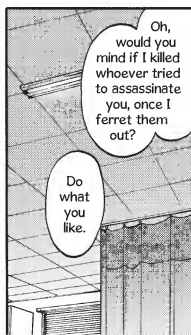

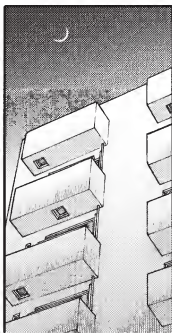

Or are they gonna be gunning for me soon, too...

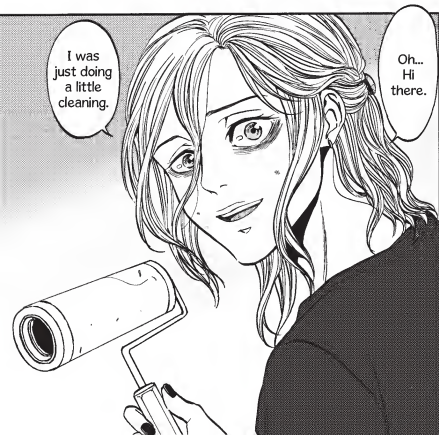

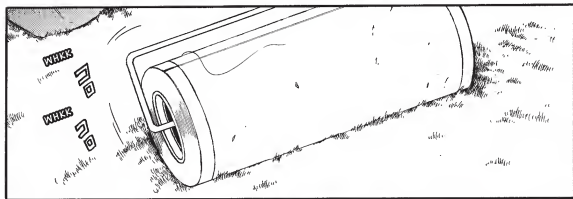

Why you after all this time?

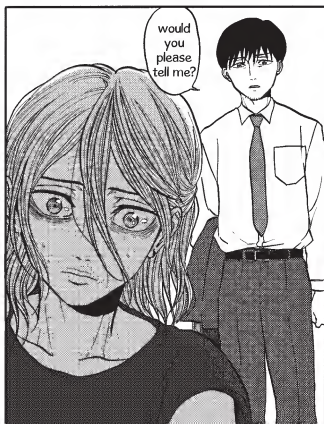

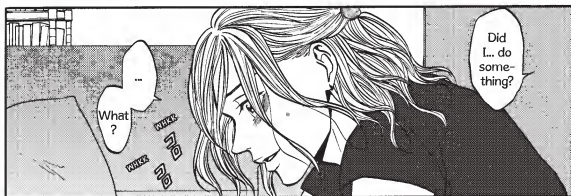

I'll have my squad meet with Kaname.

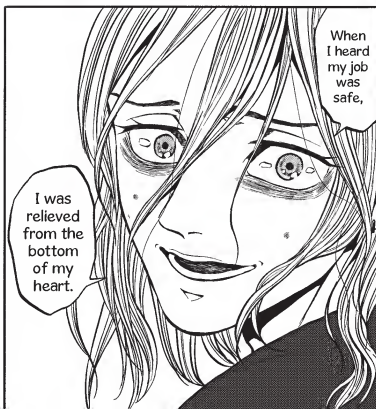

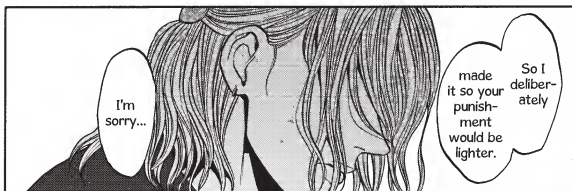

We're back to the same members we had five years ago.

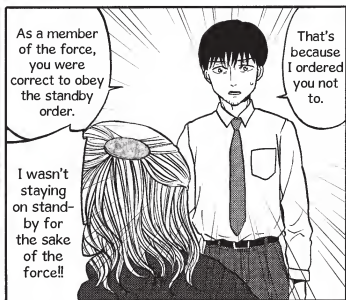

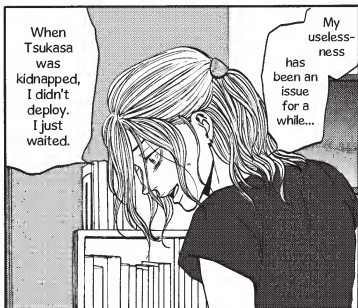

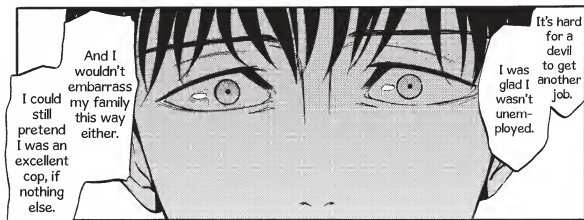

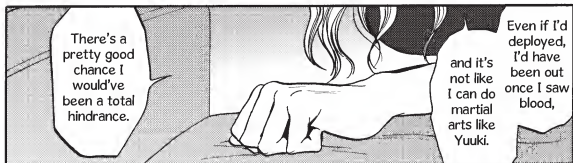

I was
actually
relieved...

in my

So when
you told

There's a
pretty good

No, no. I mean...

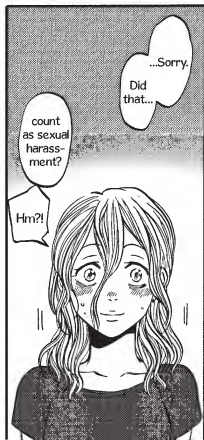

I mean... the hug.

W-What does ...?

No, you don't have to apologize!!

I guess that's fine, but... Sorry.

Hm?!

Apparently,

Ah!

He doesn't

I heard
about

and
showed
up at the

so he
ignored
Sawazaki
telling
him to
stay put

I wonder
if he'd said

Now
that I'm
thinking
about it...

For

the place
by the
west exit
of the

good.

and
Sawazaki's
reaction
when I
said I'd
stay was
vague.

The

weren't
for me,

Say
it...

So,
uhm
...

Say it.
"I'm
going

I'm not
wanted,
so there's
no need
for me
to stay,
is there?

...Jill?

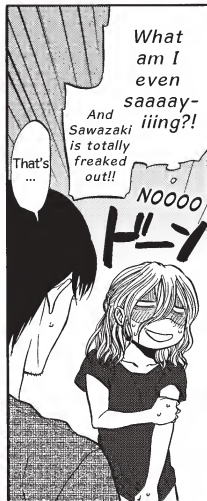

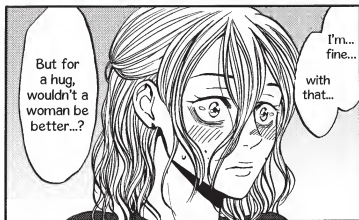

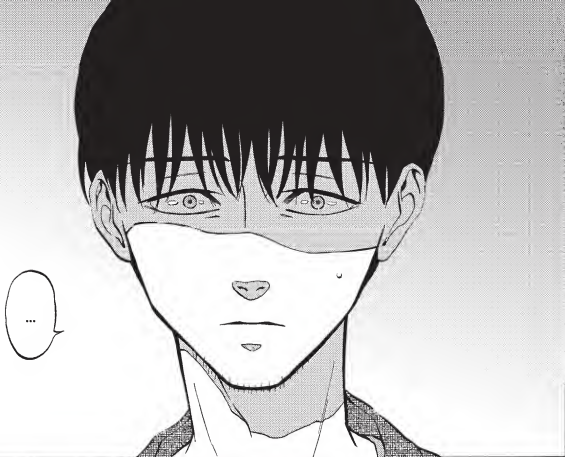

So then,
wouldn't
it be
better
for me
to go
back to

Unless
that's...
not

relieving

TAK

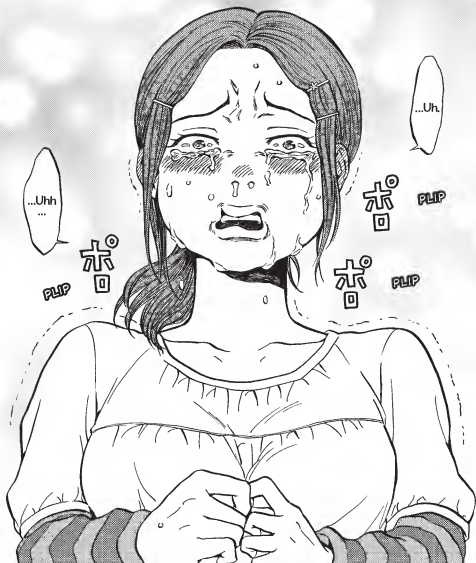

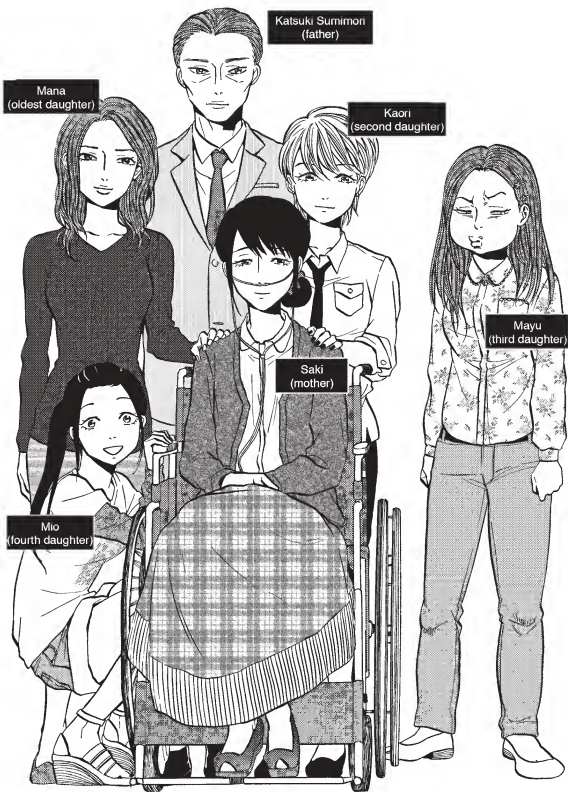

Somewhere in
Gunma
Prefecture

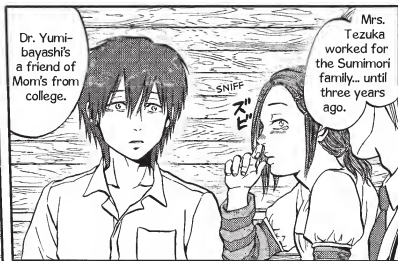

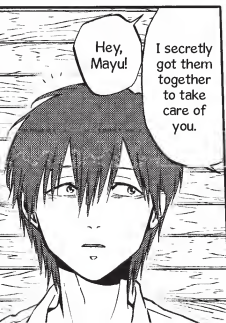

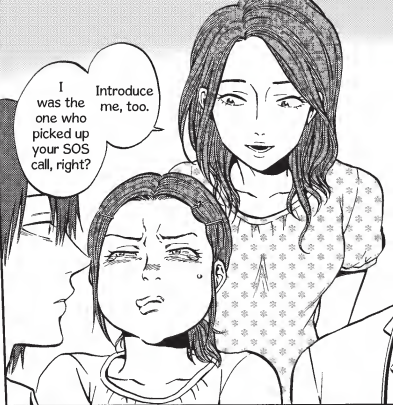

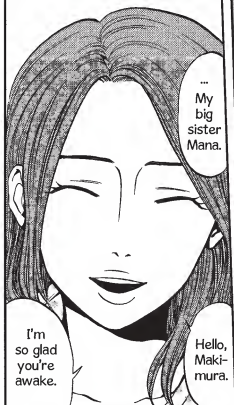

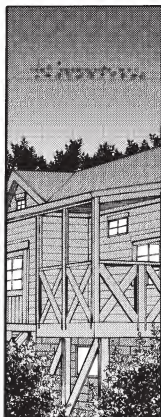

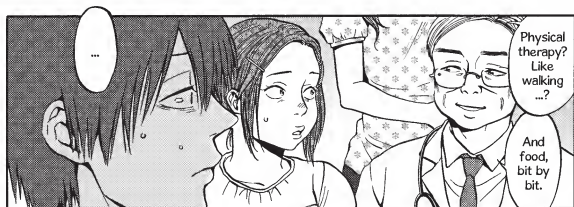

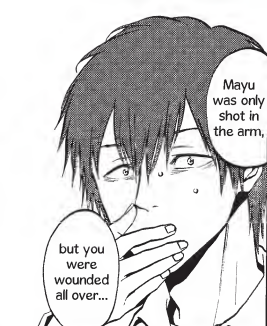

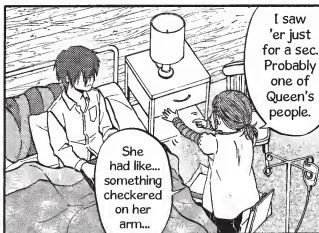

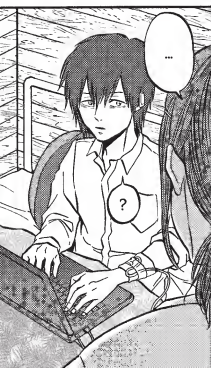

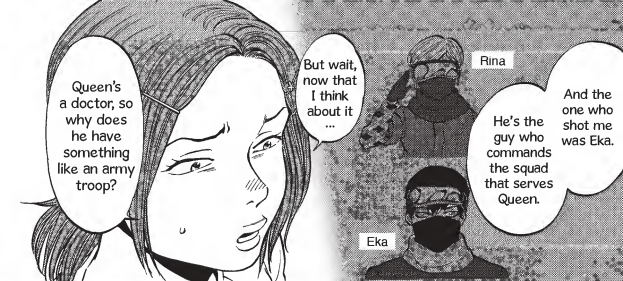

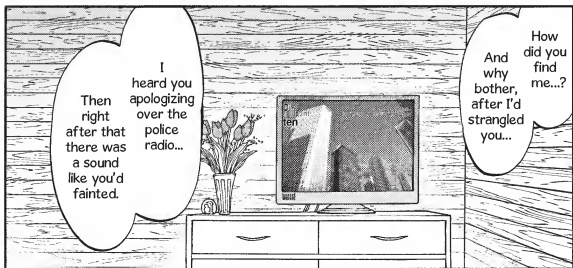

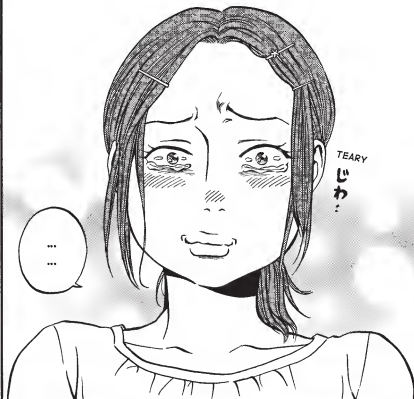

My sister
Mana,
who was
at home,
picked up.

So I hid
for a while,
and once Rina
was gone,
I called.

and there was
a payphone
right there.

I remembered
the number
of the main
house.

And
then I
found a
10-yen
coin.

a car
to get me
and a car
to find
you.

On the
phone,
I asked
her to send

So then, once
I managed to
shake off Rina,
I calmed down
a little.

I owe
you my
life.

I don't
know
how to
thank
you.

Thanks
...

I
guess you
collapsed
pretty
close to
me?! You
were lucky!

Dr.
Yumibayashi
says if you'd
been found
even just a
little later,

After
that, the
Sumimori
security
guards
found you.

it would've
been bad.

Just say the word.

I mean, owe me your life? That's too...

If there's anything I can do, I will.

BLUUSH

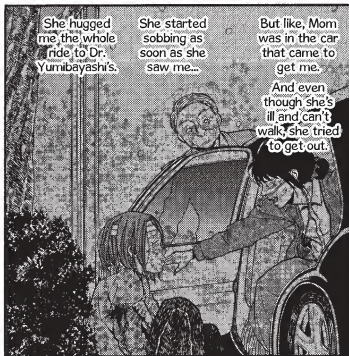

happy

N...No! It's fine. No big deal!!

Which reminds me... Did you make up with your family? With your mom and everyone...

I wonder if he'd get mad if I asked him to kiss me or something...

She hugged me, the whole ride to Dr. Yumibayashi's.

She started sobbing as soon as she saw me...

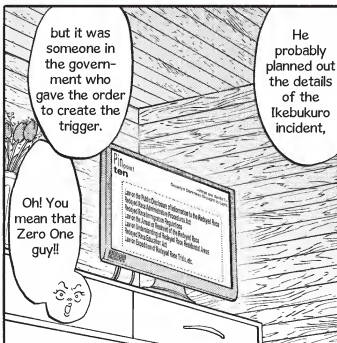

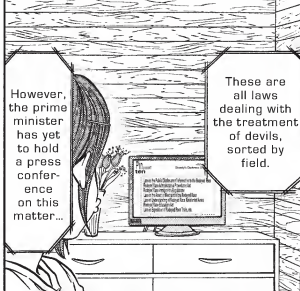

But like, Mom was in the car that came to get me.

And even though she's ill and can't walk, she tried to get out.

I was totally ignoring their calls and emails, though.

Hmm... Well, it's not like we were fighting to begin with...

He almost talked like it was the will of the entire country.

And from the way Kikuhara talked, it's not just one person pulling those strings.

Taking that into consideration, the one pulling the strings wouldn't have a code name in the CCC.

The CCC is a "sacrifice" in all this mess.

The police will eventually arrest them.

We still don't know that.

If there are five of them, or ten, or even if it's the entire administration, I can't just let it go.

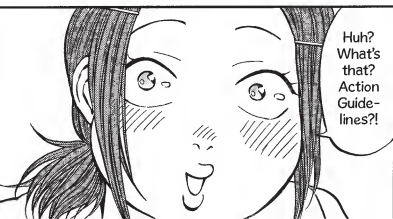

That said, there has to be someone actually giving orders and setting Kikuhara in motion.

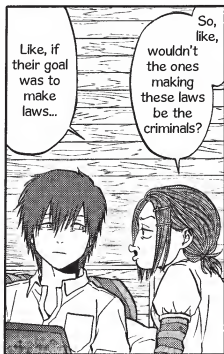

But I think they probably just carried over the Action Guidelines.

Yeah. The source of the proposals for the laws is crucial.

Did he praise me?!

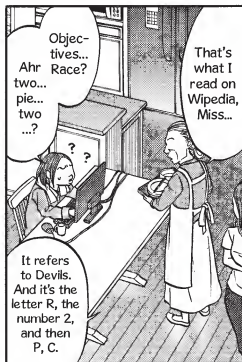

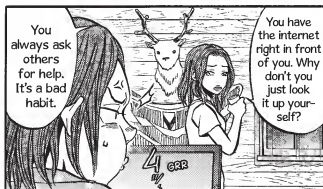

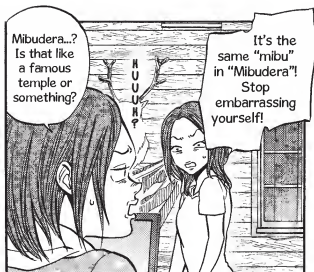

Huh? What's that? Action Guidelines?!

Like, if their goal was to make laws...

So, like, wouldn't the ones making these laws be the criminals?

and in
the middle of
this whirlwind,
you're all,
"what are the
action guidelines,"
"what's R2PC"?!
Try using your
head for once!!

So you end
up being
made to
work in the
underworld
with people
who're
trying to kill
you,

Stop
it...

Mana.

If I stay at
home, you
all make
fun of
me, so all
I could do
was go
out and
earn a
living!!

No,
but...

I don't
care about
work, but
I don't have
any-
where
else to go!

So
you go
work at a
secret
organiz—

The
hell
...

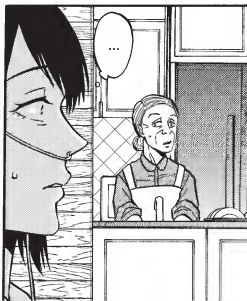

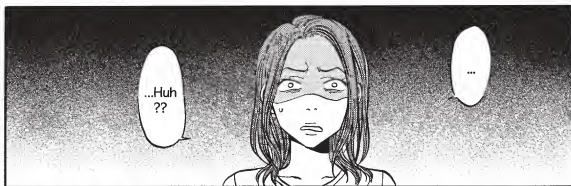

She can't
argue, so
she just
cries.

You're
too soft,
Mom.
See?
She's
already
crying.

I mean,
I worked
hard to find
a job while
I had the
energy...

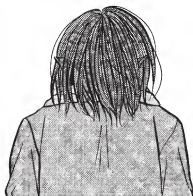

I was
doing
it in my
own
way...!

What
do you
know,
Mana...?

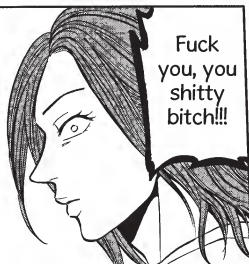

It's your attitude and your tone and your incompetence. All of it. Your insides are ugly!!

More importantly, you're not the ugliest 'cause of your face.

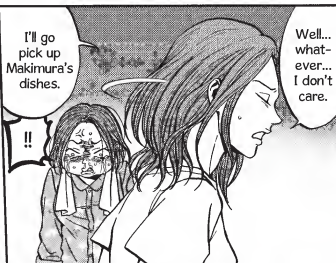

I can't believe you'd say that in front of Mom...

Changing the face you were born with...?

Fuck you, you shitty bitch!!!

I'll go pick up Makimura's dishes.

!!

Well... whatever... I don't care.

I told you I'm not hoping for anything, but I can't do this. At this rate, I'll never give up on you.

it'll break off the relationship we've built so far.

And I get the feeling that once it's over,

"One last kiss" is a lot like "sleep with me once."

...Huh?

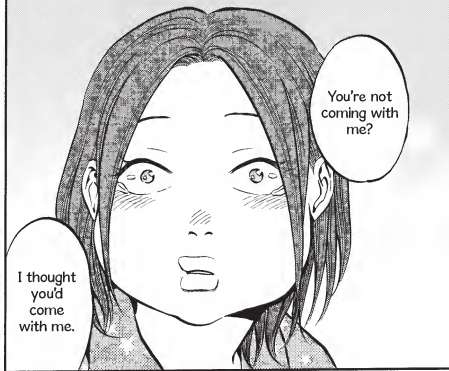

So in any case, that'll break off our relationship, right?!

B-But you're gonna leave soon, right...?!

There are some documents I got hold of right before the raid on the hideout. I'm gonna go get them.

We're heading to a safe house in the city.

I'm somewhere in Kanto right now, with Mayu Sumimori.

The medical charts for the members of Queen's squad.

Even now...? What kind of follow-up...

And Queen still examines some of the members under the guise of "follow-ups."

The squad is a group of soldiers and people he met back then.

Twenty years ago, Queen went around to several conflict zones to give medical aid.

That whole squad is made up of Queen's patients.

Charts...?

He's probably thinking of trying to do something.

SOCIAL SIGNIFICANCE OF HEREDITARY ReMI

Alisa Takahashi, Yutaka Tsunashima, Yukiaki Matsunaga

Outline

ReMI (Metamorphic Inadequacy) is a typically hereditary insufficiency affecting the transformational abilities of certain devils. The defining characteristics are a rejection response upon ingestion of human blood, a lack of deficiency of blood-lust, no or almost no physical transformational reaction takes place in response to blood. In most cases, all of the above conditions occur concurrently, but even if only one condition is present the patient is considered to have ReMI. Patients suffering with ReMI have, socially, been considered to have a "Mental Defect" and have been treated accordingly.

I was trying to figure out where to start explaining tomorrow.

How's everything going?

I sent the prototype to the specified doctor the other day. I attached a note saying they should get in touch with the R&D Division if there are any problems. In that case, just to be safe, I'll also get in touch with Chief Anzai.

into the
MPD.

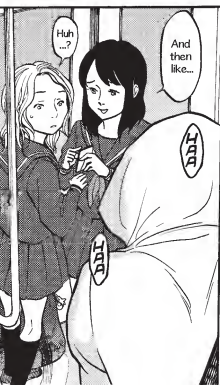

I chase
them
further,
arrest
them,

The doors are closing. Please watch out...

Why can't I resist pursuing them?

Huh...?

And then like...

Be careful
of the doors
opening!

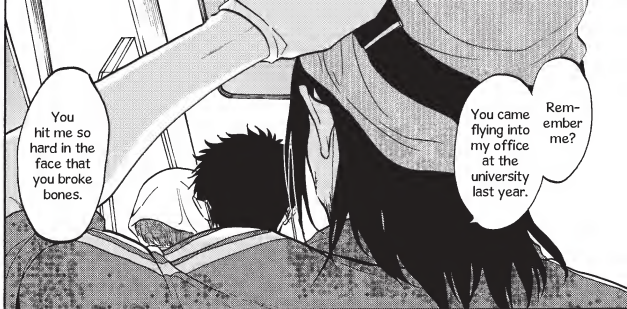

At least
carry a
tranq
around
with you.

Rest
for a bit,
and you'll
be able
to walk
again
soon,

so—

I've been
looking
for you.

You hit me so hard in the face that you broke bones.

You came flying into my office at the university last year.

Remember me?

at some point.

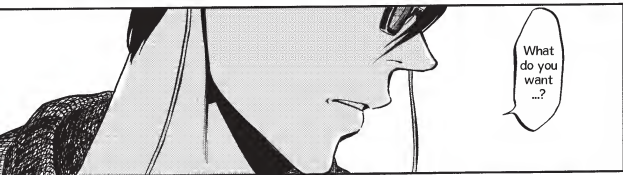

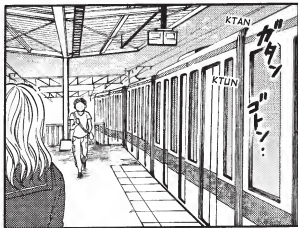

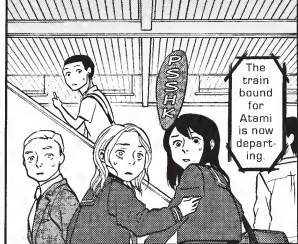

I'd run into you again

I figured if I hunted devils like this

Ochiai!

I'm so glad I found you.

I am
ruined
in the
eyes of
society.
And it's
all your
fault!

My entire
life was
wrecked
that day.

The
day you
attacked
me was the
start of a
nightmare.

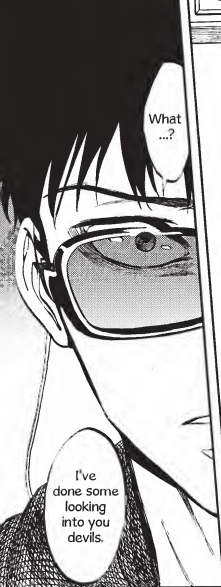

If only
that hadn't
happened,
I'd be doing
pretty well.

I never
wanted to
see your
face again.

Like I
care.

What
...?

I've
done some
looking
into you
devils.

Is that
because
you're the
same
as me?

When
you came into
my office back
then, your eyes
transformed
at once.

I totally
get it.

They say
blood-lust
is roused
at the same
time as
sexual
lust.

Which
means you
might try to
be all fancy,
but you're
just a
pervert,
too.

Do you
devils
suck the
human's
blood
when you
screw
'em?!

So did
you do it
after you
smashed
my face
in?

Oh!
Maybe
you
already
fucked
and
killed
her?!

and
killed
her
after
I was
done
with
her!!

If you
were
gonna
do that,
you
should've
tossed
her
aside

You were
excited,
right?

By Tsukasa
Taira standing
there naked

about
to be
fucked
by me.

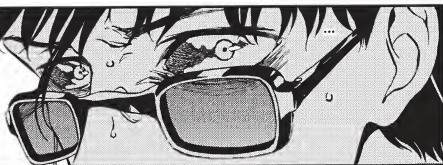

Ah ha
ha ha!
That's
perfect!!

Devils
sure are
pathetic!
Ah ha
ha ha!!

Hey,
you got a
hard-on
now?!
For the
blood of a
man whose
face you
don't even
wanna
see?

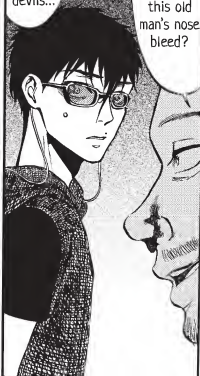

...Huh?

This guy's
veins are
full of
ketchup.

Y'know,
I kinda
feel
sorry
for you
devils...

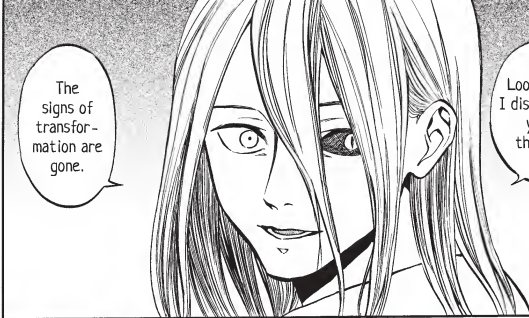

Don't
you get
excited
seeing
this old
man's nose
bleed?

something
like that
to me
before...

I feel like
someone
else said

The
signs of
transfor-
mation are
gone.

Looks like
I distracted
you,
though.

when
you're
lusting for
Tsukasa,
huh?

Looks like
you only
become a
devil

Keep
your
head.

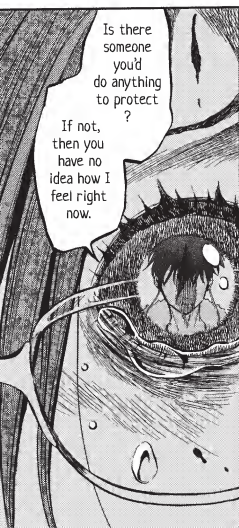

It's
okay if
you see
blood
and only
transform
...

What's
racing
through
your body
is a benign
trans-
formative
reaction.

What
comes with
blood-lust
isn't just
sexual
desire.

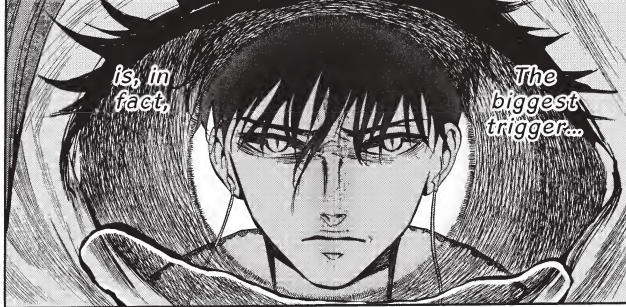

The trigger for the transformation is...

Blood is nothing more than a trivial stimulus.

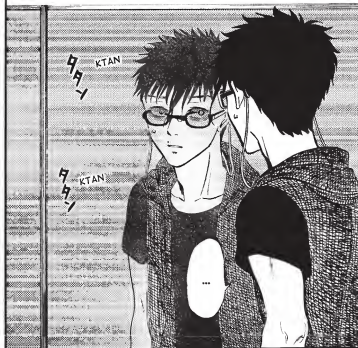

*is, in
fact,*

*The
biggest
trigger...*

anger...?

*The prototype
tranq—*

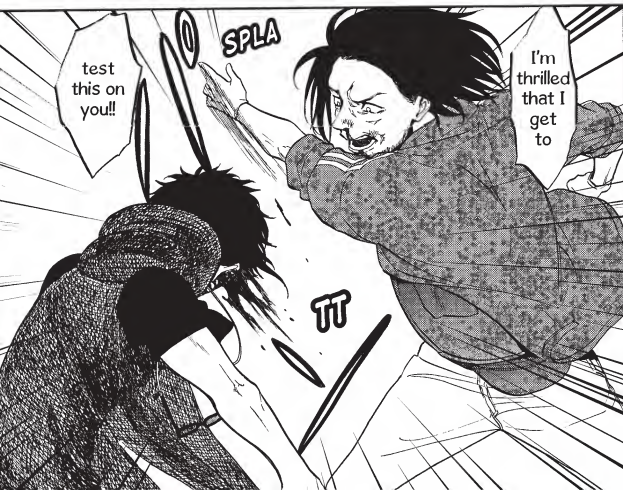

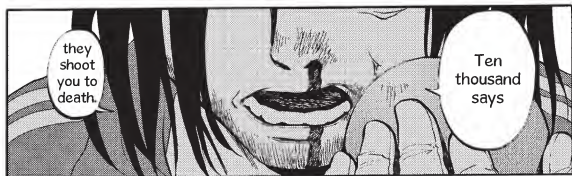

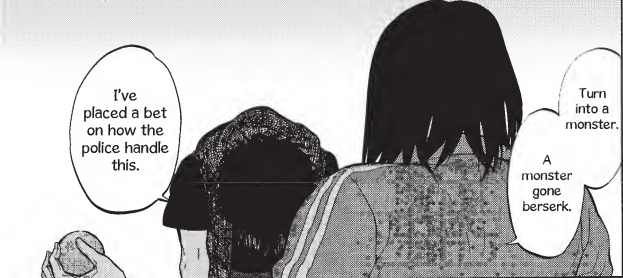

*Isn't
coming
out!!*

*The
needle*

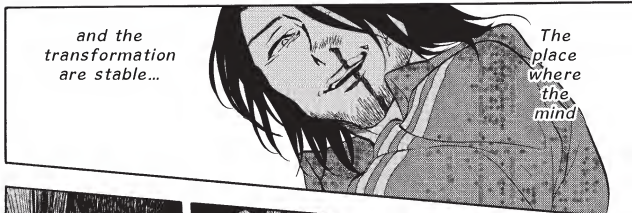

Hurry
up and
transform
already.

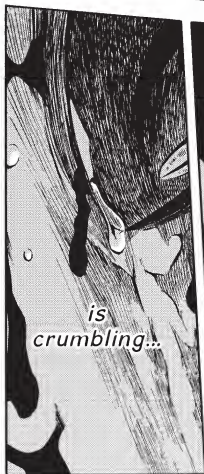

*I had
it.*

*Just
for a
moment,*

*and the
transformation
are stable...*

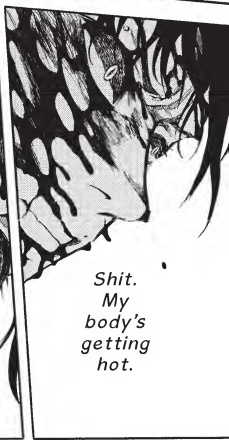

*The
place
where
the
mind*

*is
crumbling...*

*My
equilibrium*

*Shit.
My
body's
getting
hot.*

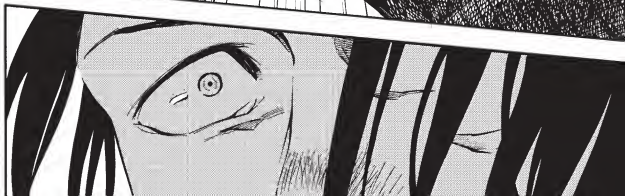

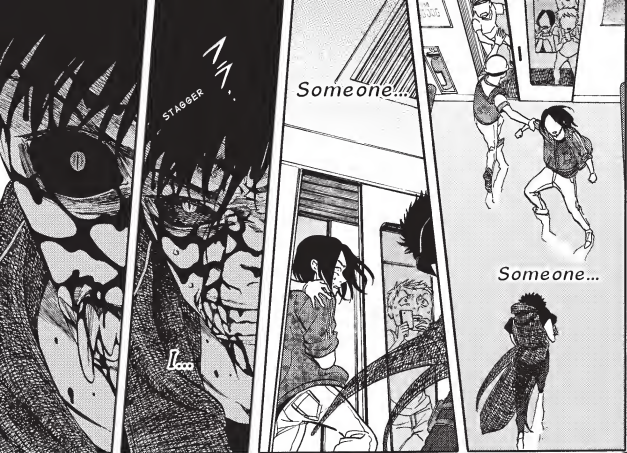

C'mon!
Let's
get
outta
here
!!

Whoa!
Those're
some
claws!

Get
the hell
out of
here,
you
piece of
shit!!

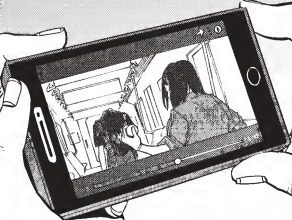

in the next
car over,
someone
is hunting
devils and
a devil is
rampaging.

There
have been
reports
from
several
riders on
an Atami-
bound

express
train on the
AR Keihin
Touou
Line,

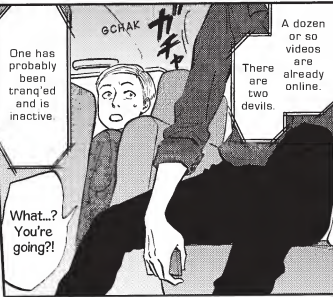

Only
one is danger-
ous.

One has probably
been tranq'ed
and is inactive.

A dozen
or so
videos
are
already
online.
There
are
two
devils.

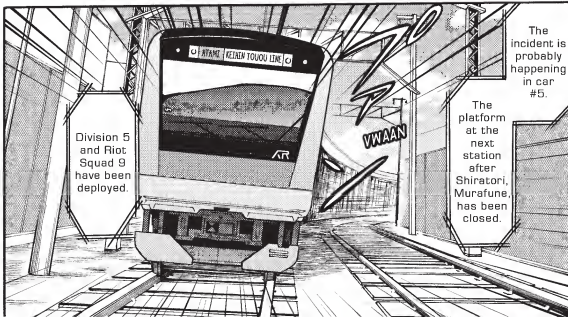

What...?
You're
going?!

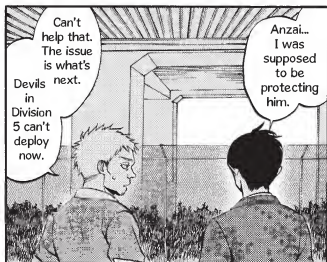

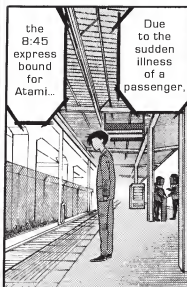

Division 5
and Riot
Squad 9
have been
deployed.

The
incident is
probably
happening
in car
#5.

The
platform
at the
next
station
after
Shiratori,
Murafune,
has been
closed.

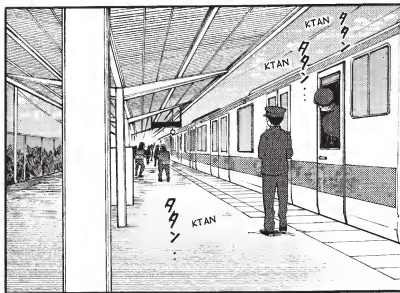

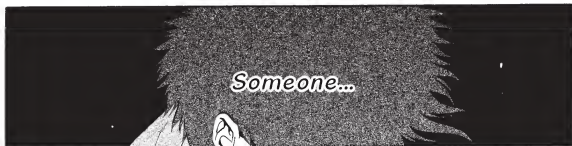

Anzai
will be shot
to death
unless we do
something...

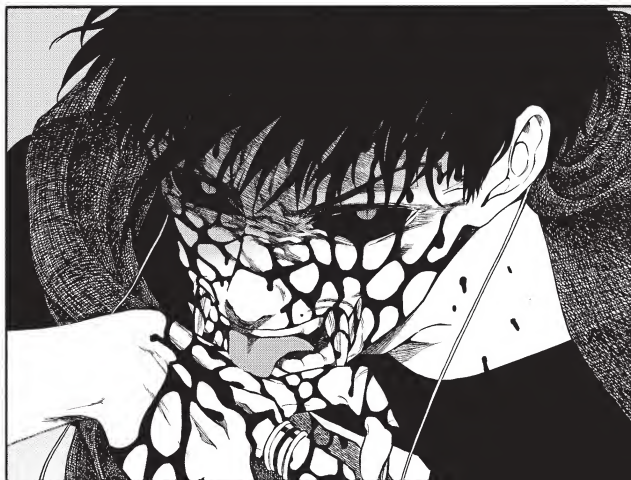

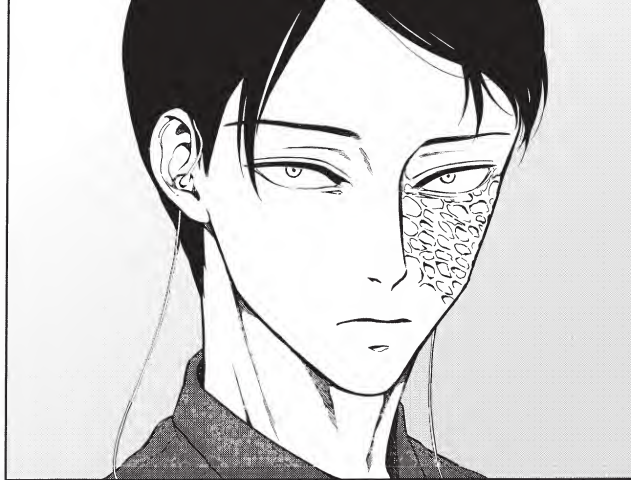

But this
is a train
station.

If their
judgement
is off by
even a
second, it'll
be fatal.

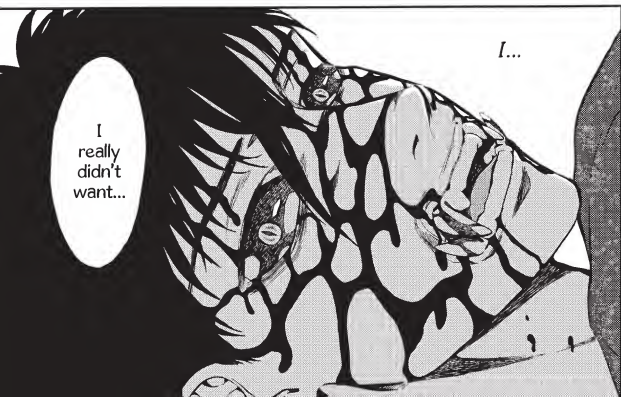

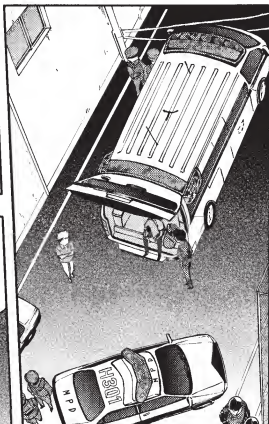

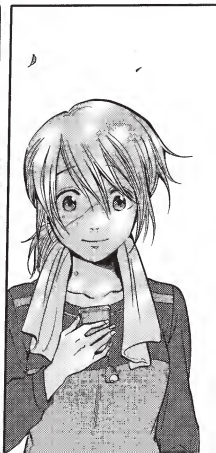

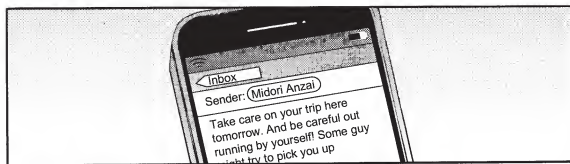

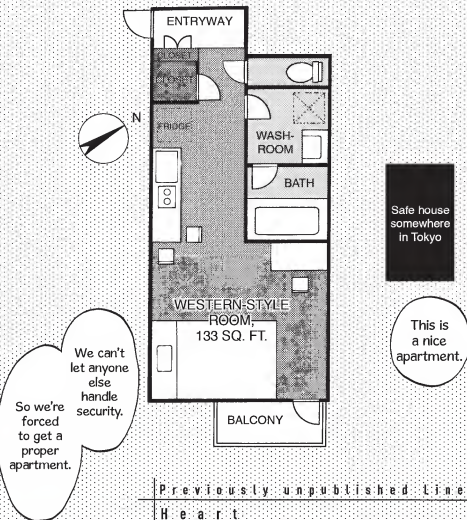

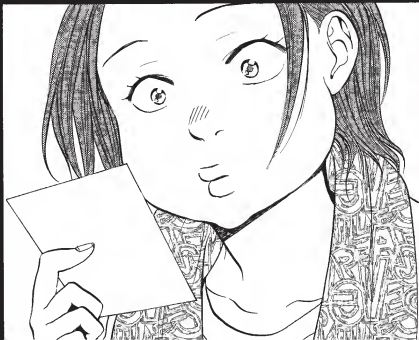

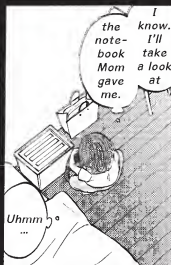

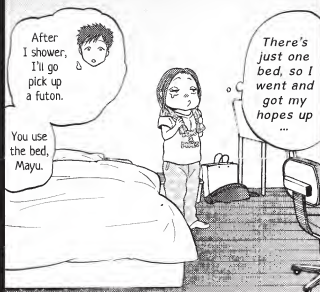

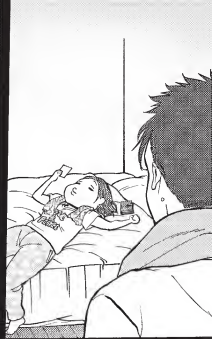

*into
the
light.*

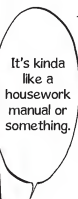

So
I was thinking
...

JUMP

ガッ

It's kinda
like a
housework
manual or
something.

Cooking
basics,
how to
clean...

There's
a bunch
of other
stuff in
here,
too.

Oh,
but I might
get bored
with it...

so
maybe I
could try
doing the
house-
work.

but
I'm
pretty
free,

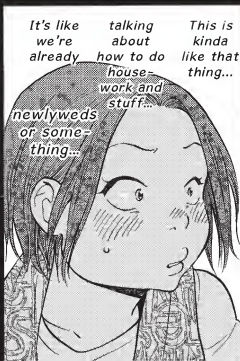

you have
stuff to do
in your job
as a cop,

ホッ

BWOOSH

PEACE

It's like
we're
already

talking
about
how to do
house-
work and
stuff...

This is
kinda
like that
thing...

newlyweds
or some-
thing...

!!

LOVE
&
PEACE

Then how
about we do
it together;
so you don't
get bored?

*I like her
this much,
so...*

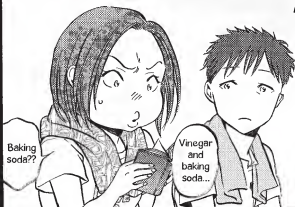

*It was a
passionate
feeling, and
connected
directly
with my
body.*

*It's true
that the
"love"
I felt in
college
was more
giddy.*

*I can't even
really say
for sure that
this is love.*

*but I just don't
want to sleep
with her.*

*It's not
like I've
never been
interested
in sex,*

*It's steadfast,
persistent.*

*Quiet,
comfortable;
deep, bright.*

*There's no
binding force.*

*This
passion
is quiet,*

*but it
doesn't
falter.*

*Her
lips are
plump.
They
probably
feel nice.*

*I could
maybe
do a
kiss.*

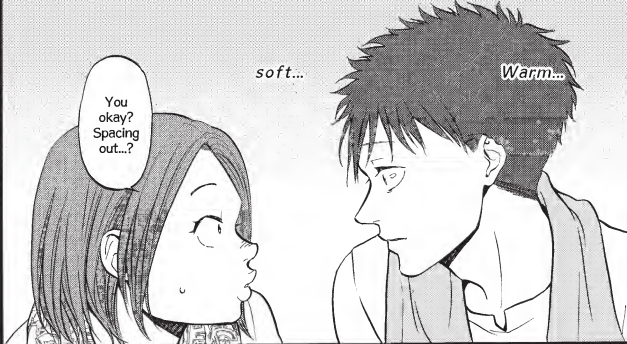

...Wait.

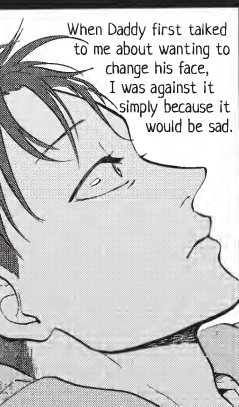

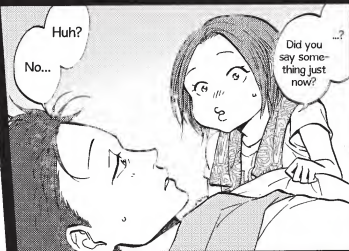

*But as
long as I
don't want
to kiss her
or have
sex with
her...*

*The fact
that there's
no binding
force makes
me a little
uneasy.*

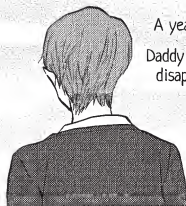

And then,
after a while,
he came back.
He'd had surgery.

A year later,
Daddy suddenly
disappeared.

came back
to me.

I was honestly so
happy.
That Daddy

I feel like
he really
understands
you.

Mr. Makimura
is probably much
more grown-up
than I was then.

But I wasn't
by his side
when he was
struggling
and trying to
make that
decision.

Daddy
had
chosen
to be
alone.

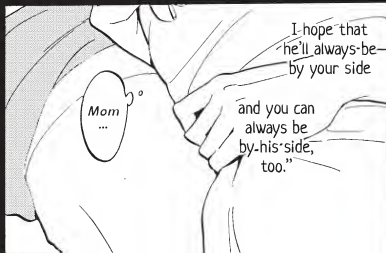

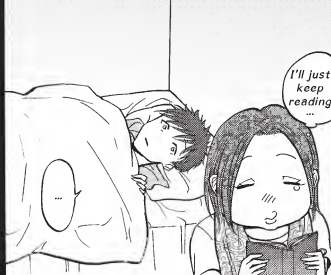

We were
supposed
to be two
people
joined in
marriage,
but we
weren't.

I hope that
he'll always be
by your side

and you can
always be
by his side,
too."

Mom
...

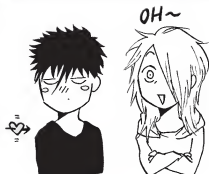

"I wish the two of us could be as one..."

EVERYONE'S HOMETOWN AND DIALECT

Tsukasa

(Hometown) (Notes)

Sakaide,
Kagawa

Her dialect comes out when she's on the phone with her family. She is unaware of this happening.

Anzai

Obihiro,
Hokkaido

Due to the effect of the ONLO staff speaking standard Japanese, he doesn't really have any kind of accent.

Hans

Obihiro,
Hokkaido

The impact of reading so much as a child was quite strong, and he uses standard Japanese.

Sawazaki

Ichihara,
Chiba

Due to the influence of his mother speaking standard Japanese, he basically doesn't use any dialect.

Jill

Nerima
Ward,
Tokyo

Uses Tokyo dialect. Incidentally, this is unrelated, but she's not great at English.

Yanagi

Takasaki,
Gunma

Apparently, his dialect comes out when he's talking with his wife who's from the same town.

Ishimaru

Sendai,
Miyagi

According to Ishimaru himself, his accent comes out a little when he goes home. The majority of his coworkers have never had the chance to hear it.

Asami

Mito,
Ibaraki

He's fairly used to standard Japanese at this point. When he goes home, his accent comes out a little.

Makimura

Odawara,
Kanagawa

He's totally accustomed to standard Japanese and has forgotten his dialect.

Eleven

Meguro
Ward,
Tokyo

She herself doesn't remember exactly when she started talking so roughly. It's probably the traces of her dabbling in delinquency in her teens.

**Zero
Seven**

Hachioji,
Tokyo

Because she spent more of her adolescence with books rather than talking with friends, and because she needed to steel herself in front of Kikuhara, she speaks very self-assuredly.

Nine

Fujiyoshida,
Yamanashi

Standard Japanese is typical for him, perhaps in part because he liked TV and the internet better than local people, so he stuck out a little in school.

Kikuhara

Kawasaki,
Kanagawa

He uses standard Japanese due to his mother's influence, but because his housekeeper Mrs. Harada took him to her home of Aomori numerous times when he was a boy, he can also speak a little Aomori dialect.
